

## Worksheet 4-3: Your Project's Five Dimensions

| <b>Dimension</b> | <b>Constraint<br/>(state limits)</b> | <b>Driver<br/>(state goals)</b> | <b>Degree of Freedom<br/>(state range)</b> |
|------------------|--------------------------------------|---------------------------------|--------------------------------------------|
| Features         |                                      |                                 |                                            |
| Quality          |                                      |                                 |                                            |
| Cost             |                                      |                                 |                                            |
| Schedule         |                                      |                                 |                                            |
| Staff            |                                      |                                 |                                            |
